ABOUT

With over 2,000 members, AAA is by far the largest alumni organization uniting graduates of US Exchange programs. Established in 2003, AAA has ever been very active in the public life of the country, achieving its strategic goals through a variety of projects and activities, such as:

- ✓ Supporting alumni in realization of their creative and innovative potential
- ✓ Supporting alumni initiatives for the development of education, science, culture, as well as the process of democratization and building civil society
- ✓ Developing and delivering programs which inform people in the US and around the world about the Republic of Azerbaijan
- ✓ Learning from and spreading the experience of leading countries in science, education and culture
- ✓ Providing alumni with financial, professional and moral support in their research works
- ✓ Publishing academic books, methodological aids and other literature
- ✓ Developing international cultural, scientific and educational relations and exchange
- ✓ Conducting surveys among different strata of the society about the problems arising in different fields of public development such as education, science and culture
- ✓ Organizing round-tables, conferences, symposiums, public forums
- ✓ Establishing relations and exchange of experience with similar organizations abroad
